

## Lawrence Art Guild Newsletter January 2022

### **Thank You and Happy 2022**

What a year 2021 has been for the Lawrence Art Guild Association, and for all of us.

As the year came to a close, we reflected on the many challenges and triumphs in 2021. As a non-profit we were able to survive without events in 2020 and half of 2021 and not knowing if we would have fall events in 2021. And then, your Board and fellow members hit the ground running. By the end of the year, we had gotten the Lawrence Art Guild back in swing with Executive Board Meetings, Member Meetings, planning committees for Art in the Park, for our All Members Show at Cider Gallery, brought back the Holiday Art Fair at Cider Gallery and also at the same time planning and securing events and working on member workshops for 2022. Wow! Our teams went into overdrive. This short time frame was a challenge, but we prevailed.

THANK YOU to the supporters who attended the events this year. THANK YOU to the many volunteers, committee workers, artists and members who pulled off great events in a shorter time frame. A lot goes on behind the scenes to bring you these amazing events. We could not have done this without your hard work and dedication to the Arts!

The Lawrence Art Guild enters 2022 with both bittersweetness and enthusiasm. You will see some changes, but you can expect our bigger and better signature events plus a few new offerings for members.

Happy New Year 2022 and Best Wishes from your Board!
